## Disclosure requirements regarding Share ownership

The following table presents holdings in financial instruments under Commission Delegated Regulation (EU) 2016/958.

Clarksons Securities AS ("CS") does not alone or together with affiliated companies hold more than 1% of the total share capital of any company on which it issues research. CS and its affiliates (and/or their employees) may, however, have investments in financial instruments (or derivatives thereof) in companies where a recommendation has been produced or distributed by CS in connection with rendering investment services, including market making. No research analyst of CS is allowed to hold any shares in any company which the analyst covers.

Below is an overview of CS' and/or its employees' positions in financial instruments where CS also have research coverage:
