## Disclosure requirements regarding Share ownership

The following table presents holdings in financial instruments under Commission Delegated Regulation (EU) 2016/958.

Clarksons Securities AS ("CS") does not alone or together with affiliated companies hold more than 1% of the total share capital in any company that is subject of its research. CS and its affiliates (and/or their employees), consolidated with related companies and associated persons, may have investments in financial instruments (or derivatives thereof) in companies where a recommendation has been produced or distributed by CS in connection with rendering investment services, including market making. No research analyst of CS, nor any closely associated person or entity under the analyst's control or influence is allowed to hold any shares in any company which the analyst covers.

Below is an overview of CS' and/or its employees' positions in financial instruments in companies that are also subject to CS' research coverage:
